Sailing Instructions prevail over the Notice of Race when they conflict.

2. CONDITIONS OF ENTRY

2.1. General: The safety of a boat and her entire management, including Insurance, shall be the sole responsibility of the owner/person in charge who must ensure that the boat and crew are adequate to face the conditions that may arise in the course of the race. Neither these Sailing Instructions nor any inspection of the boat or the provision of safety boats, limits or reduces the absolute responsibility of the owner/person in charge for the crew, the boat and her management. The race organisers shall not be responsible for any damage, death, or personal injury howsoever caused to the owner/person in charge or crew as a result of them taking part in a race or races. Moreover, every owner/person in charge warrants the suitability of the boat for the race or races and that the boat contains at least the minimum specified safety equipment detailed in class rules.

2.2. Insurance: Each boat shall have a valid third-party insurance of not less than £3,000,000 in force for the duration of all races sailed under these Sailing Instructions for which she has entered.

2.3. Compliance with Class Rules, Measurement and Rating Certificated – see RRS 78. Boats must submit a current IRC certificate with their entry to be included in the IRC class. Boats must submit NHC information with their entry to be included in the NHC Class.

13. SHORTENING COURSE AFTER THE START (*RRS32 is amended*)

13.1. Shortening course at Finishing line. When Flag S is displayed, with two sounds, at or near the finishing line, its meaning is for all classes.
