A welcome from the **Commodore**

Dear Members and Guests,

On behalf of the Royal Burnham Yacht Club, it is with great pleasure and enthusiasm that I extend a warm welcome to each and every one of you taking part in Burnham Week 2023.

As Commodore, I am delighted to be a part of this prestigious sailing regatta, which promises not only a week of exhilarating sailing but also a memorable social experience.

Burnham Week has long been a highlight of our Club's calendar, and this year is no exception. We are thrilled to welcome sailors and spectators from esteemed Clubs near and far. It is the diversity of participants and the camaraderie between Clubs that make this event truly special.

Over the course of the week, we can look forward to fantastic sailing with challenging races involving a full range of craft on the water. The dedicated race committee works tirelessly to arrange and manage the events that produce the unique Burnham Week experience for all involved.

But Burnham Week is not just about the sailing; it is about forging new friendships, celebrating old ones, and creating lasting memories. It is through events like Burnham Week that we strengthen the bonds of our sailing community and showcase the true essence of the Royal Burnham Yacht Club. Wishing you fair winds and a truly unforgettable experience!

A welcome from the Rear Commodore, House

As Rear Commodore House of the Royal Burnham Yacht Club, it is my great pleasure to extend a warm welcome to all of you as we gather for the highly anticipated Burnham Week, which promises not only fabulous racing, but also a fun-packed social programme.

The RBYC House Committee and management team has constructed an exciting line-up of events that will complement the racing on the river, and we invite you and your friends and family to join in any and everything we have to offer!

From themed parties and restaurant evenings, through to regatta dinners and prize-giving ceremonies, our social program promises to offer something for everyone.

We are especially pleased to be welcoming the return of the mighty “Cambria” to our pontoon for the week, with some of our events being held on board to add a different dimension to the week’s schedule.

I’m looking forward to fierce competition on the water, followed by fun shoreside with friends and family. On behalf of the Royal Burnham Yacht Club, we look forward seeing you all in the club throughout the week.
